SUMMARY

Social Media Content Creator and Digital Marketing Specialist (Currently in Dubai - Immediately Available) with 3+ years creating short-form video, photography and social content for Instagram, TikTok, YouTube and Facebook. Shoots and edits on iPhone and camera in CapCut, DaVinci Resolve and Final Cut Pro, and owns content from concept to final delivery. Builds content calendars, manages community engagement and tracks performance in Instagram Insights and Meta Ads. Grew a brand YouTube channel from 2,000 to 10,000 subscribers and lifted organic engagement by 25%.

EXPERIENCE

Digital Marketing Specialist

Remote

01/2025 - Present

Independent (Clients: Decathlon India, 42KM Store, Max Protein, Influencers)

- Planned and coordinated digital content projects for Decathlon India, 42KM Store, and Max Protein, setting monthly content calendars and tracking deliverables across Instagram, Facebook, and YouTube.
- Produced social media video content for Decathlon India, 42KM Store, and Max Protein, covering concept development, scripting, shooting, editing, and publishing for Reels, TikTok, and YouTube.
- Filmed independently on smartphones and cameras, including a three-day brand shoot for 42KM Store with 25 runners across 10 locations, coordinating talent, photographers, and logistics.
- Briefed and coordinated 6+ creators and influencers, planning shoots and overseeing final delivery across Instagram and YouTube.
- Managed captions, posting, community engagement, and monthly content calendars across brand accounts, driving a 25% increase in organic engagement.
- Created hooks, scripts, and formats around platform trends and each brand's audience, using Claude and Gemini for ideation.
- Currently learning Higgs field produce Al-generated video and UGC style content for brand campaigns.

Transaction Risk Analyst

Chennai, India

Amazon

03/2024 - 12/2024

- Investigated and monitored fraud and abuse patterns across high-volume transaction datasets for Amazon's APAC e-commerce markets, achieving 94% detection accuracy while maintaining 100% SLA compliance across daily operational queues. Conducted structured root cause analysis on complex fraud incidents within Amazon's Transaction Risk Management System (TRMS), identifying behavioral anomalies in account activity and executing response actions following defined investigation protocols. Communicated risk insights and operational updates cross-functionally, acting as liaison between ground-level operations and senior decision makers across five APAC markets in a high-volume, start-up-paced environment.

Social Content Creator

Chennai, India

Jumbo Realty

01/2023 - 02/2024

- Planned, shot, and edited short-form videos and property tour videos, managing the full content lifecycle from concept to publishing.
- Grew the brand YouTube channel from 2,000 to 10,000 subscribers through SEO informed content planning and high retention short form video.
- Built and maintained content calendars aligned with campaign goals, keeping posting consistent across Facebook, Instagram, and YouTube.
- Managed captions, community engagement, and audience growth across all brand social accounts.
- Ran Google Search and Meta ad campaigns that generated 3,200+ qualified leads and lifted project inquiry volume by 20%.
- Partnered with internal teams and clients to develop creative concepts and promotional campaigns aligned with sales objectives.
